

<p>THE PERFECT SETTLEMENT Create a model of your 'perfect settlement' it can be based on real life or made up, but it has to include lots of detail!</p>	<p>LET ME ENTERTAIN YOU Anglo-Saxon children had to make their own entertainment. Anglo-Saxons liked to entertain themselves by writing riddles. Write your own riddle and entertain us!</p>	<p>A NEW EMPIRE The Romans came to Britain and created 'Roman Britain'. If you were to create your own way of life in Britain, what would it be like? Write an information text about your own empire. You could try using bullet points.</p>	<p>NORSE MYTHOLOGY The Vikings believed in their own gods; Loki liked to play tricks, Thor was God of Thunder and Freyja was goddess of love. Create your own Viking God, draw a picture, label and write a paragraph about him or her.</p>
<p>OUR SETTLEMENT Create an information leaflet about our settlement, Corbridge! The leaflet needs to make people want to visit or move to Corbridge. Make sure it looks bright and colourful.</p>	<p>TRAVELLING FROM A TO B Vikings travelled from A-B in 'dragon boats' or 'long ships' and used them for invasion and war. They often travelled in them for a long time. Design and label a long ship which would be good for living in and fighting with!</p>	<p>FACT FILE Choose your favourite country and make a fact file about it. You could include information about:</p> <ul style="list-style-type: none"> • Religion • Native Animals • Weather • Population 	<p>WRITE A STORY FROM ANOTHER CULTURE Do you know any stories from other cultures? You could use the internet to research this. Can you re-write a story in your own words?</p>

You will receive 5 house points for every piece of optional homework you complete!

Mental Maths Focus this half term:

- Recall multiplication and division facts for all the tables up to 12 x 12.
- Play on TT Rockstars to help support your timetables learning.
- Keep practising **adding and subtracting using money, measuring using millimetres, centimetres and metres,**

Don't forget to: **read daily** and record this in **reading record**, your **weekly spellings** and **Common Exception Words** (see grid in homework book).

Keep practising telling the time – o'clock, quarter past, half past, quarter to, telling the time to the nearest minute, using digital (12/24 hour) and analogue clocks. Does your clock at home have Roman numerals? Can you tell time using Roman numerals? It is something that needs to be practised regularly as it is really tricky!

Thank you for your continued support 😊
