Transformational Education

We would like to invite all prospective parents and pupils transferring to middle school in September 2025 to an Open Evening here at St Joseph's.

There is an exceptional sense of community where 'Every child is an individual and we help them grow'

Behaviour is always exemplary, and pupils demonstrate great respect for each other

All pupils learn a broad and ambitious curriculum

Pastoral care is exceptional, every pupil is loved and cared for as an individual

St Joseph's is a vibrant, inclusive school that has a reputation for being a happy, friendly and caring community. At St Joseph's we care about the individual and pride ourselves on the warmth of our community where all our pupils feel valued and can flourish.

All our staff are committed to providing high quality, engaging lessons that meet the needs of all pupils whatever their ability or individual needs.
